

Mathematics Curriculum Overview 2023-24

Review annually

AUTUMN TERM – 14 WEEKS								
WK	EYFS	YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5	YEAR 6	
1	Reception Baseline Assessments	Measurement Time			Measurement Time	Number Number & Place Value		
2								
3	Number - counting	Number Number and Place Value			Number Number and Place Value	Number Mental Methods		
4	Number – comparison					Number Addition		Number Addition & Subtraction
5					Number – cardinality	Number Subtraction		Number Addition
6								
7	Number – composition	Number Subtraction			Number Subtraction	Number Division		
8								
9	Number - counting	Measurement Money			Measurement	Number Multiplication & Division	Number Multiplication & Division Fractions	
10	Number - counting							Number Multiplication and Division Number & Place Value
11	Pattern				Number Multiplication Number & Place Value		Number Division	Fractions
12								
13	Spatial awareness	Geometry Properties of 2D shapes	Geometry Properties of 2D shapes Position and Direction		Geometry Properties of Shape	Geometry Position and Direction		
14	Shape	Assessment			Assessment	Assessment Measurement

Review annually

SPRING TERM – 12 WEEKS							
WK	EYFS	YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5	YEAR 6
1	Number – counting	Number Number and Place Value			Number Number and Place Value	Number Number & Place Value	
2		Number Addition			Number Addition	Number Addition & Subtraction	Number Addition & Subtraction Statistics
3	Number – counting	Number Subtraction			Number Subtraction	Number Multiplication	Number Multiplication & Division Fractions
4	Number – comparison				Statistics	Fractions	
5	Number – composition	Number Multiplication Number & Place Value			Fractions	Fractions	Fractions Ratio & Proportion
6		Number Division					Fractions Ratio & Proportion Statistics
7	Measure – length, weight & capacity						Number Multiplication & Division
8					Number Multiplication	Geometry Properties of Shape	
9	Pattern	Number Fractions			Number Division	Geometry Properties Of Shape Measurement Number	Geometry Properties Of Shape Measurement Number Algebra
10		Measurement Time				Division	Ratio and Proportion
11	Spatial awareness	Geometry Properties of Shape			Measurement Money	Number Multiplication & Division	Algebra
12	Shape	Assessment			Assessment	Assessment Measurement

SUMMER TERM							
WK	EYFS	YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5	YEAR 6
1	Number – counting	Number Number & Place Value	Statistics		Number Addition	Number Number and Place Value	Revision and Consolidation
2	Number – comparison	Number Addition			Number Subtraction	Number Addition	
3	Number – composition	Number Subtraction			Fractions	Number Subtraction	
4		Number Addition & Subtraction				Number Multiplication & Division	
5		Number Multiplication			Measurement Fractions	Statistics	KS2 Assessments
6		Number Division			Measurement Time	Measurement Time	
7		Fractions			Statistics	Measurement Time Statistics	
8	Geometry Position & Direction			Number Multiplication	Number Multiplication		
9	Measure - time	Measurement Length & Height			Number Division	Number Division	
10	Shape	Measurement Mass/Weight			Number Multiplication and Division	Measurement Number Multiplication and Division	
11		Measurement Capacity & Volume	Measurement Capacity, Volume & Temperature		Geometry Properties of Shape	Geometry Properties of Shape Number Multiplication & Division Measurement	Geometry Properties of Shape Number Multiplication & Division Measurement Algebra
12	Pattern	Measurement Time			Geometry Position and Direction	Geometry Properties of Shape	
13		Assessment			Assessment	Assessment
