PTA

Thank you to all who helped support the Christmas festivities. We managed to range a fantastic £646.62. Well done!

The PTA are always looking for new members, so if you have a spare few hours please approach Mrs Fraser about helping out.

School Focus

This academic year the school will be focusing heavily on reading and writing. It is very important that the children read regularly in school and at home. Also they need to read a wide range of texts as this will also improve their writing.

Christian Value

Our Christian value for after half term is 'Hope'. This theme will run throughout the school collective worships and some lessons will be planned on this theme.

Sporting Events

We have many SPORTS events up and coming again this term. Thanks again to the all the parents, children and staff who constantly support these events. It is very much appreciated.

Just a reminder that all sports clubs start next week, except football and netball.

Head teacher's message

I would like to take this opportunity to thank everyone for their support this academic year. I am very pleased with the feedback Ofsted gave us and this would not have been possible without the hard work from staff, children and support from parents. I hope we can continue the great work that is going on. Thank you
