Throughout the process we work with primary schools:

- To provide practice material for use in school where the Primary agrees to administer
- To obtain information about testing arrangements for those students with SEN or EAL (Note: for access arrangements to be applied to the 11+ tests any reasonable adjustments should be the child's normal way of working, in addition to a demonstrable history of provision and need).
- To provide 11+ scores to Headteachers in October
- To obtain supporting evidence of eligibility for full pupil premium (i.e. free school meals at any time during years prior to 31 October 2019).

Please tick the box if you give consent for King's to share information with your son's Primary School
