Thank you

I can not believe we are already at the end of the first half term.

So much fun and learning has taken place. The reception children have done really well, they are coping well with school life and school dinners too.

The doors are always open and we encourage you to communicate with us.

Parking– the children’s safety comes first!

Open Evening

On Wednesday 8th November we will be holding an open evening; 4-6pm. This is an opportunity for current and prospective parents to view the school, children’s book and talk to teachers about the plan for the year ahead. Please spread the word.

Thank you

School Focus

This academic year the school will be focusing heavily on reading and writing. It is very important that the children read regularly in school and at home. Also they need to read a wide range of texts as this will also improve their writing.

Christian Value

Our Christian value for after half term is ‘Friendship’. This theme will run throughout the school collective worships and some lessons will be planned on this theme.

Head teacher’s message

Thank you for all your support so far this term. As I have mentioned previously, I feel so lucky to be the Headteacher of Great Ponton School. The team are working really hard with many wonderful things planned for our children. I hope to see you in school very soon.
